Membership Application Pack

Haigh Hall Golf Club
Haigh Woodland Park
Copperas Lane
Wigan
WN2 1PE

Thank you for your interest in becoming a member of Haigh Hall Golf Club.

At Haigh Hall we have a small friendly membership in different categories. The benefit of this is that you are guaranteed a tee time to play in competitions unlike some private clubs which, having so many members, need to limit the number of people who can play.

Here at Haigh Hall the membership of the golf club is only £100 maximum.

Unlike other clubs the fee covers all competition fees, however you do still need to pay to play on the course for which there are many ways to do this. You can pay on a per round basis, prices vary on the time you play, or you can purchase an annual season ticket giving you unlimited golf.

Your membership fee also covers your affiliation fees for England Golf and Lancashire Golf Union

We play competitions on the following days.

- Wednesday 8 am till 10 am Seniors.
- Thursday 9-hole competitions book whatever time you want to play.
- Saturday 8-50am till 9-30am but again you can book any other time if you have somebody else to play with you.
- Sunday 8 am till 10-30am this is our main competition day.

To complete the process, please can you complete the attached membership application form and return with the required membership fee.
